

Footprints Center for Autism

#MakingFootprints 5k and 1 Mile Fun Run needs your Sponsorship. We are a family friendly run benefiting Footprints Center for Autism (FCA), a new Ohio-based nonprofit autism treatment center, dedicated to providing comprehensive, collaborative, and child-centered programming for individuals with autism. FCA plans to open its doors in September, and is raising funds for the initial start-up costs and operating expenses. Your sponsorship of this event would bring Footprints Center for Autism one step closer to their fundraising goal, and one step closer to being able to successfully and smoothly open their doors to students this year.

Take advantage of this type of exposure while supporting services for children with autism right here in Lake County by becoming our sponsor. If you have any questions or would like to discuss any alternative proposals (eg: joint marketing & promotion), please call Erin at 440.622.0218 or email us at footprintscenterforautism@gmail.com.
